OCTOBER IS ENERGY ACTION MONTH

Get ready to power up and make a difference in our community! October is officially Energy Action Month, and we're excited to invite you to join us in taking meaningful steps towards a more sustainable and energy-efficient future.

Every small action counts, and together we can create a lasting impact on our environment and on reducing energy costs. Here are some simple yet powerful ways you can participate in Energy Action Month:

- 1) **Turn Off and Unplug:** Be mindful of turning off lights, electronics, and appliances when not in use. Unplugging chargers and devices can make a significant difference in reducing energy consumption.
- 2) **Optimize Thermostat Settings:** Adjust your thermostat to conserve energy. Lower the temperature in cooler months and raise it in warmer months to save on heating and cooling.
- 3) **Conserve Water:** Report any leaky faucets and take shorter showers. Every drop saved helps in conserving this precious resource.
- 4) **Switch to LED Lights:** Replace traditional light bulbs with energy-efficient LED bulbs. They last longer and consume less electricity.

Join us in this exciting initiative to make a lasting impact on our environment and reduce our collective carbon footprint. Together, we can create a more sustainable future for our families and generations to come. For more energy conservation tips, visit <https://www.huntmilitarycommunities.com/resident-resources>. Let's shine a light on energy efficiency and show our neighbors what we can accomplish together!

COMMUNITY ANNOUNCEMENTS

Greetings Valued Residents,

This is our first quarterly newsletter packed full of events, reminders and so much more!

As we head into the holiday season of this year – we are super excited for our upcoming events and hope you will join us! We had a great summer with you all and were happy to be able to complete all of the capital projects that we had planned for this year to include:

- Dead tree removal (they are finally gone!)
- Phase 3 exterior paint in Powderhorn (don't worry – the remaining part of the neighborhood will be done next Spring/Summer)
- Asphalt repairs
- Repairs to the pedestrian walking path (it has returned!)

We will be sure to share with you our plans and projects for 2024 – stay tuned to find out!

We are also excited to announce that the annual Tenant Satisfaction Survey will be sent to residents Spring 2024 rather than this fall. The Air Force has informed us that the survey has moved to next year – be on the lookout as we get closer to Spring for more details – YOUR FEEDBACK IS IMPORTANT TO US!

Our team and I would like to wish you and your family a very happy holiday season and fantastic New Year. Be on the lookout for our next newsletter in January!

Thank you,

Amanda - Community Director

MAINTENANCE CORNER

With the cooler weather upon us we would like to remind residents to please be sure to disconnect your hose from the outside spigot(s). This will help prevent frozen/burst pipes!

Help keep the warmth in your home and conserve energy – be sure to fully shut and lock your windows!

Snow removal reminder – residents are responsible for snow removal in the driveway and walkway to your front door. We will remove snow from all sidewalks/pedestrian path and roads.

Leaving town? Be sure to leave your heat ON and set at a minimum of 65 degrees. If you are leaving for more than a week – please let us know!
