

COMMUNITY DIRECTOR UPDATE

FEBRUARY 1, 2025

COMMUNITY NEWS

Greetings Residents,

I hope your year is off to a great start and you're staying warm! As we enter February, a quick reminder that the new utility implementation program began on January 1st for all active duty residents. We're now in the second month of mock utility billing, meaning you'll receive a statement but won't need to make a payment or worry about credits during this mock period.

If you missed our Q&A Town Hall in December/January, the presentation is available on our website: <https://www.buckleyfamilyhousing.com/current-residents/utilities>.

We'll host another town hall in March to review mock statements and address any questions.

Stay warm and thank you for being part of our community!
